

ISLAND TOWER ELECTRO MECHANICAL WORKS LLC

Company Profile

INFRASTRUCTURE • MEP • CIVIL ENGINEERING

Engineering excellence, built on trust.

Island Tower Electro Mechanical Works LLC delivers infrastructure, MEP, and civil engineering projects across the UAE and Saudi Arabia. What started as a small electro-mechanical crew taking on jobs larger contractors considered too complex or too tight on schedule has grown into a full-scope EPC operation — but the standard hasn't changed: precise engineering, disciplined safety practice, and a crew that shows up and finishes what it starts.

Today we run full-scope engagements across infrastructure, MEP engineering, civil works, chemical facilities, water treatment, energy solutions, and research & development — delivered for clients who need it done right the first time.

15+

YEARS IN OPERATION

200+

PROJECTS DELIVERED

2

COUNTRIES SERVED

Seven disciplines. One standard of execution.

Island Tower delivers comprehensive engineering, procurement, and construction services for major projects across infrastructure, MEP, civil, energy, water, and chemical sectors.

01

MEP Engineering

Full mechanical, electrical, and plumbing engineering and execution across residential, commercial, and industrial towers.

02

Infrastructure

Site-wide utilities and transport infrastructure networks engineered for scale.

03

Civil Works

From foundation to finishing — structural integrity and architectural precision on every pour.

04

Chemical Facilities

Specialized construction and MEP integration for chemical processing plants under strict process-safety requirements.

05

Water Treatment

Capacity expansions and new-build works for regional water treatment facilities.

06

Energy Solutions

Electro-mechanical works for industrial power facilities, from switchgear to commissioning.

FEATURED WORK

A cross-section of our projects.

A selection of the engineering, procurement, and construction work delivered across the UAE and Saudi Arabia.

Marina Business Bay Tower	MEP • DUBAI, UAE
Jebel Ali Water Treatment Expansion	WATER TREATMENT • DUBAI, UAE
Riyadh Industrial Energy Plant	ENERGY • RIYADH, KSA
King Abdullah Logistics Hub	INFRASTRUCTURE • JEDDAH, KSA
Abu Dhabi Corporate Campus	CIVIL WORKS • ABU DHABI, UAE
Sharjah Chemical Processing Facility	CHEMICAL • SHARJAH, UAE
